

2023 Comet International Regatta

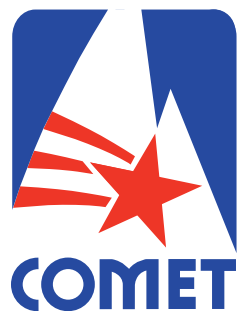

Bermuda

The 2023 Comet International Championship Regatta will be held in Bermuda on June 22th, 23th, and 24th, and is going to be an event and experience not to be missed. The Bermudians have been busy planning this event for years and have organized a full week of social events and sailing. The regatta will be sailed in the Great Sound, with the base of operations being at the basin created for the 2017 America's Cup in the Royal Naval Dock Yard. The dates were selected to correspond with the historic Edward Cross Long Distance Race which will be held on Monday June 19th, Bermuda Heroes Day. This race will be sailed from the west end of the island, West End Sail Boat Club in the Great Sound, to the other end of the island, and finish at the East End Mini Yacht Club in St. Georges harbor. This is an incredible and unique experience that we encourage all that can to participate in as a warm up to the Internationals.

The Bermudian organizing committee has gone to great lengths to seek sponsorship and make this event appealing to US sailors. The regatta has been sanctioned by the Bermuda Sailing Association, and has the support of the Bermuda Government. The committee has made special arrangements to ship boats in mass and wants as many sailors, family, and friends as possible to come experience the fantastic beaches, history and people, on their beautiful island.

For planning purposes it is critical that commitments are made soon for both shipping and chartering boats. The cost to ship the first 8 boats will be \$500 dollars, additional boats can be shipped, but they can not guarantee the price. A limited number of charter boats are available and will be reserved for sailors that are to remote from the shipping location to make it practice. To reserve a spot in the first 8 boat shipping deal, or to charter, will require a \$100 deposit by January 9.

Email cometclass@comcast.net to reserve your spot and for payment details.

Look for more details soon, and any updates, at www.cometclass.com.

We look forward to seeing you in Bermuda!
